NEWCASTLE, NSW | 23-25 SEPTEMBER 2024

YOUR OPPORTUNITY TO PARTNER WITH ANCOLD

Welcome to the ANCOLD Tailings Dam Operators Forum 2024

We are delighted to invite you to the ANCOLD Tailings Dam Operators Forum, scheduled for 23-25 September 2024 in Newcastle, NSW. The Organising Committee and the ANCOLD Executive are excited to host this premier event dedicated to tailings dam operators.

This forum offers an exceptional sponsorship opportunity for organisations involved in the tailings dams sector. It's a chance to support ANCOLD's initiatives and engage directly with a focused and relevant audience.

Attendees will have the chance to connect with industry practitioners, regulators, and mining professionals, all united by a shared interest in tailings dam risk management. This national forum aims to bring together those at the forefront of tailings dam operations to exchange experiences and enhance the understanding and safety of tailings management systems.

We eagerly anticipate your participation in Newcastle this September. Join us for an event that promises to be both enlightening and invaluable.
